REGISTRATION FOR BALTIMORE COURSES

Students must register through the Baltimore Office of the Registrar for all courses offered by the Baltimore Schools and Colleges. Whenever a student carries courses in the two branches, two registrations are required.

REFUNDS

Students withdrawing from the University will receive a refund of all charges, except board, lodging, and deposits for room reservation, less the matriculation fee in accordance with the following schedule:

Period from Date Instruction Begins	Percentage Refundable
Two weeks or less	80%
Between two and three weeks	60%
Between three and four weeks	40%
Between four and five weeks	20%
Over five weeks	0

Board and lodging are refunded only in the event the student withdraws from the University. Refunds of board and lodging are made on a pro-rata, weekly basis. Dining Hall Cards issued to boarding students must be surrendered at the Dining Hall office the day of withdrawal.

No refunds of fixed charges, tuition, laboratory fees, etc., are allowed when courses are dropped, unless the student withdraws from the University.

REINSTATEMENT

All former undergraduate students not in attendance at the close of the last semester must secure reinstatement certificates from the Office of Admissions, if they have not already done so. Students seeking reinstatement after having been dropped should apply to Dean James H. Reid, Chairman of the Committee on Admissions, Guidance and Adjustment.

CHANGES IN REGISTRATION

Changes in registration may be made by obtaining a change in registration form from your dean's office. This form must be approved by your Dean and filed in the Office of the Registrar. After one week (beginning September 27), there is a fee of three dollars for every change in registration. If for any reason, an instructor will not allow you to take a course for which you are registered, you must file in the Office of the Registrar a change in registration form signed by your Dean, authorizing you to drop the course.

Credit cannot be obtained for courses for which you are not officially registered in both the offices of the academic Dean and the Registrar. Your failure to attend a course for which you are registered will result in your receiving a mark of failure in the course.

Only in exceptional cases will a student be permitted to enter a class one week after the beginning of instruction.

COURSES DROPPED AFTER NOVEMBER 13, 1954, CARRY A GRADE OF FAILURE.

SCHEDULE CARD

Every student must have on file in the Office of the Registrar a schedule card showing the time his classes meet. In case of a change in registration, the schedule card should be corrected by the student.

WITHDRAWAL FROM THE UNIVERSITY

A student desiring to withdraw must secure a withdrawal form from the Office of the Dean, secure the necessary signatures, and file the blank in the Office of the Registrar. If this is not done, the student will not be entitled to honorable dismissal, and will forfeit any refund to which he would otherwise be entitled. THE DATE USED IN COMPUTING REFUNDS IS THE DATE THE APPLICATION FOR WITHDRAWAL IS FILED IN THE OFFICE OF THE REGISTRAR.

A withdrawal is not complete until the student returns his military uniform to the Military Dept., his Athletic Book and I. D. Card to the Dean of Men, books to the Library, and the Meal Ticket to the Dining Hall.

Students who withdraw from classes without notifying the Offices of the Dean and the Registrar receive grades of failure in their courses.

CHANGE OF ADDRESS

It is important for students to notify the Office of the Registrar of any changes in University addresses so that messages can reach them.

CHANGES IN COLLEGES

To effect a change in college, secure the necessary form from the Office of the Registrar or your Dean's office, and have it signed by the Dean concerned. The transfer is not complete until the signed blank has been filed in the Office of the Registrar.

No change to another college is permitted other than at stated registration periods or during the first week of a semester.

CANDIDATES FOR DEGREES

Every candidate for a degree, for whom this is the final year, should make formal application for a degree on a special form at the time of registration.

The last day for filing applications for diplomas, to be awarded at the end of this semester, is December 2, 1954. Responsibility for knowing and meeting all requirements for graduation rests with the student.

MID-TERM REPORTS

Mid-term deficiency reports are submitted by instructors to the academic deans concerned, for all students whose work has been unsatisfactory during the first weeks of the semester. This report should be filed by instructors no later than October 30, 1954.

CAR REGISTRATION

All students, graduate and undergraduate, full time or part time who plan to drive a vehicle on the University College Park campus are required to register the vehicle at the same time they register for classes. For vehicle registration, bring operator's permit and automobile registration card to registration.

ACADEMIC REGULATIONS

Each student is held responsible for the rules which appear in the Academic Regulations.
